

Thomas Fresh is looking for a Quality Control (QC) Specialist to join us in our Calgary warehouse. As the QC Specialist, you will be responsible to inspect the inbound and outbound shipments of produce for quality. You will be responsible for recordkeeping and reporting of the product quality. You will work within a dynamic team ensuring health and safety processes are always followed and that accuracy and efficiency are top notch. **Our warehouse teams work in rotating shifts throughout the week and on the weekend.**

What we need you to do;

- Inspect and track the quality of incoming and outgoing product
- Ensure proper record keeping and inventory counts
- Ensure regular rotation of product within warehouse

What we need from you;

- 2+ yrs Experience in Fresh Produce and/or Distribution Warehouse
- Experience operating a Pallet Jack
- Strong mathematical and communication skills
- Ability to lift up to 50 lbs repetitively on a daily basis
- High attention to detail to ensure quality for product, orders and inventory
- Experienced in Food Safety & Workplace Safety Procedures

Who we are;

Thomas Fresh operates Conventional and Organic packing facilities in Calgary, Saskatoon and Surrey, delivering Fresh Produce to Wholesalers and Retailers throughout Western Canada. Our steadfast belief in Premium Quality products, standards of excellence and service to our customers are the foundation of our business. We import, distribute and service both independent and chain store customers. We reflect the growing diversity of the produce industry in the products we sell, the people we hire, and the resourceful culture we create in our organization.

If this sounds like you, please send your resume to careers@thomasfresh.com and tell us what would make you stand out as our newest team member!
